Director’s Message

I would like to thank everyone who was involved in making the 2018 summer season at the library such a tremendous success. Although I was incredibly excited to begin my new role, it can be daunting to be new, and I admit I was a little nervous. But thanks to careful planning by my experienced predecessor, a devoted and knowledgeable staff, a supportive and dedicated Board of Trustees, a top-notch Friends of the Library organization, helpful and generous volunteers, and a wonderful community, my first months as director have been nothing but enjoyable and rewarding. The author and musical presentations, the children’s programming, and all of the summer festivities were a great demonstration of the vitality and spirit of the library and its patrons.

I have always known what a special place the Old Forge Library is. I am deeply honored to share in the richness of our traditions. In the coming months and years, I look forward to more adventures to come. If you have ideas or feedback, please seek me out and share your vision. Together we will continue to make the library a place for community sharing.

Linda Weal
Director, Old Forge Library
