### What got done/What we’ve been doing:

- Summer!!!
- **Building/Grounds Activity:**
  - Window punch list to be complete in August. Then we will pay the final 10%.
  - Preparing for Construction Grant
  - Joe adjusting sizing of fans for ventilation
- **Cleaning/Maintenance:**

- Included a draft snow removal contact with June meeting packet. If we move shoveling to our snow removal contract easier to fill maintenance/caretaking role with qualified person.
- **Garden Project Updates:**
  - Asking for the garden paths to be covered in the construction grant. Should they be funded even 50% that adds nearly \$20,000 to the garden fund which would get us most of the way toward the total completion estimated financial goal.

**To do and to discuss:**

- **Fund Appeal:** slipped my radar. Ordered on Monday 7/18 the supplies to print inhouse. Will start printing more pieces every day. (Can fold letters during all interludes....)
- **Friends update:**
  - Planning for the Bash. Need appetizers and attendees. August 14, 3-5!
- **Grant/Funding Update:**
  - Cloudsplitter matching funds - at least  $\frac{3}{4}$  of the way to the \$10,000 goal. Sent progress report 7/10.
  - Applied 5/9 for CNYArts mini grant for August Friday Crafternoons. Applied on behalf of the Friends. - \$2000 received
  - Received all \$1400 of CAA Fairy Door Funds
  - Construction Grant for 2022 – Intent to apply submitted in June. Grant due August 19 to Mid York. Next step is to submit to SHPO.
  - NYSCA applied for program support prior to deadline. Fingers crossed.
  - **Waiting for information:** Applied to Lake Placid Education Foundation for a grant to cover 2-year subscription of Creative Bug license for our cardholders, additional program expenses related to children's grab n' go projects from 10/2022-March 2023, and Holiday in-person crafts.
  - ADK League Club Fund – will seek funding in beginning of August. Hoping to focus on one aspect of garden project.
